## Network

The EIS LGBT Network is an informal Network which meets 2-3 times per year and shares information and updates between meetings.

### The Network:

- **Connects EIS members who identify as LGBT+ or as allies for LGBT+ equality**
- **Advises the Equality Committee on LGBT equality and discrimination issues**
- **Provides opportunities for members to attend events, CPD, conferences and seminars**
- **Keeps members up to date with equality news and initiatives**
- **Gives members the chance to shape EIS policy.**
