Dear Colleague

**“Why must our children pay?” March and Rally – Saturday 6 March 2010**

Please find enclosed a copy of a leaflet which publicises the March and Rally in Glasgow against education budget cuts on Saturday 6 March 2010. Assembly is in Kelvingrove Park at 10.30 am, with the March starting at 11.00 am. The leaflet also gives some preliminary information about current and future cuts in the education services.

The EIS will be collating information from schools, colleges and local associations on the current and anticipated education cuts to the education service in all parts of the country. This will be used as publicity as part of the EIS campaign against the cuts.

A limited number of leaflets are contained with this mailing. Further copies can be downloaded from the EIS website ([www.eis.org.uk](http://www.eis.org.uk)). Alternatively, further printed versions are available through bulk order by contacting Eleanor McConchie at EIS Headquarters ([emcconchie@eis.org.uk](mailto:emcconchie@eis.org.uk)).

As the first stage of the campaign, it is vital that as many parents and others in the community take part in the March and Rally in Glasgow. You are encouraged to make contact with parents and others associated with your school to urge them to take part. For example you may wish to contact the PTA or Parent Council associated with your school.

A letter from the EIS General Secretary to parents is attached with this mailing, and is available on the EIS website. Please feel free to use the material in this letter in any way appropriate to encourage parents and others to take part.

Thank you for your assistance in this important matter.

Yours sincerely

Ronald A Smith  
General Secretary
