- The final draft of the documentation 'CPD Conversations' would be circulated to members - KF.
- Some primary members had raised concerns regarding the onerous nature of the Progress Reporting System this session. KF reminded them that all work undertaken in this regard must fall under the WTA for schools. KF would continue to monitor the situation to see if further action/LNCT discussion is needed in this regard.
- Local ABM date confirmed as Wednesday 8th March 2023 at Alloa Academy. Details to be circulated to membership.
- The next meeting of JTUC was confirmed as 8th March 2023.

1.4 **Treasurer's Report:**

- A forty-nine seater coach has been booked for the National Rally on March 11th at a provisional cost of £450. This will run from Tesco Alloa at 8.30 to/from Glasgow. It will depart from Glasgow Green at 3pm. Membership to be sent the booking link for this, and other pick-up points, later this week.
- Accounts have been approved and audited and will be available for distribution at the ABM.

1.5 **Learning Rep. Report:**

- The next 'in person' STEP conference is being organised/promoted for 11th March in the Stirling Court Hotel.

1.6 **AOCB**

- Discussion ensued about how to harness and increase local support for the 'Pay Attention' Campaign.
- Decision made to allow members from smaller schools to gather collectively at Kilncraigs for the next strike days, if they prefer this to picketing at their own schools. Some members are reluctant to picket alone or in small groups.
- GJ to ensure he has a picket supervisor letter ready for Kilncraigs, for the day.
- KF to book the Royal Oak to provide hot refreshments and breakfast rolls for members to gather afterwards. It is hoped this will build camaraderie and a 'strike strong' approach by local members.
- Executive members reminded to use messages outlined in Des Morris' recent email to galvanise support and encourage further action by local members.
