(TRUSTEES' REPORT - CONTINUED)**

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under charity law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

In preparing those financial statements, the Trustees are required to:

- (a) select suitable accounting policies and then apply them consistently;
- (b) make judgements and estimates that are reasonable and prudent;
- (c) state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;
- (d) prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INVESTMENT MANAGERS AND INVESTMENT POLICY**

Aberdeen Standard Capital, 1 George Street, Edinburgh.

The investments are held in accordance with the Trustees' powers. The investment policy is aimed at achieving a balanced return from income and capital growth over the long term. Aberdeen Standard Capital is a signatory to the United Nations Principles for Responsible Investment and therefore the Trustees are happy to confirm consistency with the criteria for Ethical Investment determined by the Council of the Institute on 8 March 2013.

**INVESTMENT POWERS**

The Trustees have powers to retain, purchase and sell stocks, bonds, securities, or other investments of any and every description and invest in heritable and other securities whether or not quoted on any recognised stock exchange.

**REVIEW OF THE FUNDS' ACTIVITIES DURING THE PERIOD**

The focus of the Trustees activities in the year to 31 August 2021 was, as is normal, centred on considering the applications made for assistance from the Funds and assessing the financial circumstances of the applicants so that, as far as possible, support could be targeted to their best possible advantage.

The Trustees met on 7 occasions in the year to consider applications for grants and loans. Additionally in urgent cases which arise between meetings the Convener in conjunction with the Accountant is authorised to make grants and seek homologation at the next meeting. The Trustees awarded 69 grants totalling £165,704 (2020, £221,250). No loans were awarded or advanced in the course of the year (2020 £NIL).

**THE EDUCATIONAL INSTITUTE OF SCOTLAND BENEVOLENT FUNDS  
(TRUSTEES' REPORT - CONTINUED)**

Opportunity is also regularly taken when the Convener reports on Employment Relations Committee business to the Institute's Council and Annual General Meeting to seek support from Local Associations. During the year the Funds received donations of £60,314 (2020 £18,819) from local associations.

**TRUSTEES RESERVES POLICY AND FUTURE PLANS**

The Trustees aim to protect the Capital Reserves of the Benevolent Funds by limiting the award of grants to the total of incoming resources of the previous financial year, together with a sum equivalent to 2.5% of total funds as recorded in the balance sheet at the end of that year.

At 31 August 2021, the charity had total funds of £4,453,487 (2020, £3,764,823).

The Trustees have noted that there has continued to be a high level of applications to the Benevolent Funds, and consider that this high level of demand is likely to continue for the foreseeable future. However, following a review of the Charity's financial position, the needs of its beneficiaries and considering inflation since the date of the last review, the Trustees agreed at their meeting of 16 June 2021, to increase the maximum annual grant from £2,500 to £3,000.

The Educational Institute of Scotland agreed to restore the previous policy of donating 1.5% of members' subscriptions to the Benevolent Funds from the financial year 2019/20. The resulting funds were therefore available for use by the Benevolent Funds from 2020/21 onwards. The Institute also donates to the Benevolent Funds, monies received from employers in respect of the services of their in-house solicitors. Whilst the Benevolent Fund has benefited in recent years from increases in the market value of investments, the restoration of the donation of members' subscriptions will reduce the risk of depleting Capital Reserves from using these to finance grants.

**GOING CONCERN**

Based on the considerations set out above and specific consideration of the effects of COVID 19 upon the charity's operations and its finances, the Trustees consider that there are no grounds to believe that the charity will be unable to continue as a Going Concern.

**RISK MANAGEMENT**

The Trustees have examined the major business and operational risks which the Trust faces and have established systems to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

**EXPENSES OF MANAGEMENT**

The direct expenses of management of the Funds including staff costs and the administration of meetings are met by the Institute.

**PROVISION OF INFORMATION TO AUDITOR**

So far as the Trustees are aware, at the time the report is approved:

- there is no relevant audit information of which the charity's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

## REPORT OF INDEPENDENT AUDITOR TO THE TRUSTEES OF THE EDUCATIONAL INSTITUTE OF SCOTLAND BENEVOLENT FUNDS

### Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 31 August 2021 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

We have audited the financial statements of The Educational Institute of Scotland Benevolent Funds ("the Charity") for the year ended 31 August 2021 which comprise the statement of financial activities, the balance sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### *Independence*

We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

### Other information

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report other than the financial statements and our auditor's report thereon. The other information comprises of the Trustees' Report.

## **REPORT OF INDEPENDENT AUDITOR TO THE TRUSTEES OF THE EDUCATIONAL INSTITUTE OF SCOTLAND BENEVOLENT FUNDS**

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- the information contained in the financial statements is inconsistent in any material respect with the Trustees' Annual Report; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of Trustees**

As explained more fully in the Statement of Trustees' responsibilities, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## REPORT OF INDEPENDENT AUDITOR TO THE TRUSTEES OF THE EDUCATIONAL INSTITUTE OF SCOTLAND BENEVOLENT FUNDS

*Extent to which the audit was capable of detecting irregularities, including fraud*

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- enquiring of Trustees, and where appropriate, management as to whether the charity is in compliance with laws and regulations that have a material effect on the financial statements or they have any knowledge of any actual, suspected or alleged fraud;
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the rationale of any significant transactions that are unusual or outside the normal course of business;
- reading minutes of Trustee meetings and reviewing documentation for indications of non-compliance with laws and regulations;
- performing analytical procedures to identify unusual or unexpected relationships that may indicate risks of material misstatement due to fraud. Areas of identified risk are then tested substantively;
- assessing whether the accounting policies, treatments and presentation adopted in the financial statements is in accordance with applicable laws and regulations and whether there are instances of potential bias in areas with significant degrees of judgement such as revenue recognition;
- vouching balances and reconciling items in management's key control account reconciliations to supporting documentation as at 31 August 2021; and
- carrying out detailed testing, on a sample basis, of material transactions, financial statement categories and balances to appropriate documentary evidence to verify the completeness, existence and accuracy of the reported financial statements.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### Use of our report

This report is made solely to the Charity's trustees, as a body, in accordance with the Charities and Trustee Investment (Scotland) Act 2005. Our audit work has been undertaken so that we might state to the Charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## THE EDUCATIONAL INSTITUTE OF SCOTLAND BENEVOLENT FUNDS

### Notes to the Accounts for the year ended 31 August 2021

#### 1. Accounting Policies

- (a) **Basis of Preparation of Accounts:** The accounts are prepared under the historical cost convention as modified by the revaluation of investments at market value. They have been prepared in accordance with applicable accounting standards for a small entity, The Charities Accounts (Scotland) Regulations 2006 and the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)'. The accounts are presented in £ sterling.

The financial statements have been prepared on a going concern basis and, having considered the Charity's current financial position and its expected future income and expenditure (including the impact of COVID19 upon its operations and the value of its assets), the Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

- (b) **Investments:** Investments in listed shares and bonds are stated at market value. The Statement of Financial Activities includes net gains and losses arising from disposals and revaluations during the year.
- (c) **Taxation:** The Fund is not liable to taxation on any surplus of income over expenditure and can in certain cases recover tax suffered on its investment income and amounts received under Gift Aid.
- (d) **Unrestricted Funds:** Unrestricted Funds represent the retained surplus of unrestricted income, comprising voluntary income received and investment income, over grants awarded to beneficiaries and the running costs of the charity, adjusted for net realised gains and losses on the sale of investments and for unrealised gains and losses on investments held at the balance sheet date.
- (e) **Income Recognition:** Income from donations, grants or legacies is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- (f) **Investment Income:** Income from interest and dividends is recognised when receipt is probable and the amount receivable can be measured reliably.
- (g) **Grants:** Grants awarded by the Fund are recognised when approved for payment by the Trustees.
- (h) **Financial Instruments:** The charity only holds financial assets and financial liabilities of a kind that qualify as basic financial instruments. Other than investments described at (b) above, basic financial instruments are initially measured at their transaction value and subsequently measured at their settlement value.
- (i) **Significant Judgements and Estimates:** In preparing the financial statements, the Trustees make estimates or assumptions which affect the reported results, financial position and the disclosure of contingencies. Use of available information and the application of judgement are inherent in the formation of such estimates, together with past experience and expectations of future events that are believed to be reasonable under the circumstances.

In the opinion of the Trustees, there are no significant areas in which judgements and estimates are applied, which would require to be disclosed for a proper understanding of these accounts.
