Report Your Complaint

Record it; Report it; Involve the Police

If you are assaulted at work, it is essential that you record an official complaint and file a police report as soon as is reasonably practicable. Without this, there is little chance of appropriate recompense for physical or mental injury.

Advice for members about 'Violent and Disruptive Pupils' can be found in the Health and Safety section of the EIS website, www.eis.org.uk

For further information and advice, speak to your **EIS Rep** or **Branch Secretary**, contact your **Local Association Secretary** or call **EIS HQ** on **0131 225 6244**
