

**Forth Valley College is  
reducing the number  
of qualified lecturers  
in your college.**

**Did you know, the college is  
targeting lecturers in vocational  
education, including hairdressing,  
construction, engineering, and  
care. They are being replaced  
with 'instructor assessors'.**

**That means the staff will no  
longer need to be qualified  
lecturers. **Your lecturers,****

**your college,  
your education.**
